BANGKOK | PATTAYA

Bangkok is a city of contrasts and offers tourists a wide range of activities to choose from. A city of temples, Bangkok is a place where finding oneself flanked by temples on either side is not uncommon. Exploring the temples, both big and small, to experience the spiritual side of Bangkok is highly recommended. The nightlife of Bangkok has visitors spoilt for choice. From the swankiest rooftop bars to the liveliest nightclubs, Bangkok will not disappoint.

When in Thailand, visitors can put their shopping shoes on, because Bangkok has it all, and more! The shopping destinations are numerous and come in different ranges. From knockoffs, branded items and traditional apparel to electronics. Everything under the sun will find its way to those who seek in Bangkok's shopping bazaars.

Pattaya is always switched on and fun. This vibrant coastal city shot to fame in early 1980s, and stayed there. From sunrise to sunset, Pattaya's beaches are constantly brimming with life, as water sports lovers and sun worshippers take to the waters. After dark, the action shifts to the streets, as revellers explore its electrified nightlife scene, where drinking and partying continue until dawn. Apart from water sports and nightlife, Pattaya offers endless possibilities when it comes to accommodation and entertainment. It has outgrown its image as a seedy beach town to a destination for a wider audience; whether couples, families or business travellers, Pattaya has something for everyone.
